About the Tourism Department:

The beginning of the Department of Tourism, Uttarakhand Open University may be traced back to 2010. It is one of the most innovative providers of Tourism education and research in Uttarakhand. Now, DOT is running three tourism programmes through its several study centres scattered in entire Uttarakhand and is also planning to launch Tourism in BA programme and Ph.D. from upcoming academic session. Tourism programmes running under the umbrella of DOT are mention as below:

1. Master of Tourism & Travel Management (MTTM)
2. Bachelor of Tourism & Travel Management (BTTM)
3. Diploma in Tourism Studies (DTS)

During MTTM, BTTM or DTS programme, students get industry exposure through their internship which is an integral part of their programme.

Presently Department of Tourism is running under the true and great leadership of Professor R.C. Mishra, who is acting as a director of the Department. Dr. Akhilesh Singh is the Permanent faculty and Ms. Ruchi Arya is an Academic Associate of the Department.

The mission of the Department of Tourism is to become an agent of change for principled, socially responsible and creative leadership in tourism by providing the highest quality education for present and future business and academic leaders and advance the understanding and practice of tourism management through research and outreach. We strive towards inspiring people and enriching tourism management practice and leadership.

About the Present Survey:

The Department has conducted this survey to know about its student's current employment status. The findings of the report will be utilized to improve programmes and to take necessary action for the placement of future students. Records of all passed out students were collected from the examination department. Telephonic interview method was used to contact students because it, far overshadows the other as perhaps the most powerful and useful tool of social scientific survey research. Faculties of Tourism Department telephonically contacted to all the Alumni dated between 3-4 July, 2017. After collecting data from sufficient no. of students than it was presented through pie diagram.

Methodology:

Telephonic interview method was used to contact all the Alumni of Tourism Department because it is the most powerful method of survey. All the students were contacted because population size was not too large. Respondents provided useful and relevant information pertaining to the enquiry.

Response Rates:

The students of all programmes were contacted and the results in this report are based on responses of those who could be surveyed. The collected data was presented through pie diagram for better understanding of the employment status of the Tourism students.

Objectives of the Study:

Ascertain the employment status of the passed out Tourism students, their quality of employment and whether this employment is related to their field of study.

Figure 01
Age Wise Employment Status of the Students

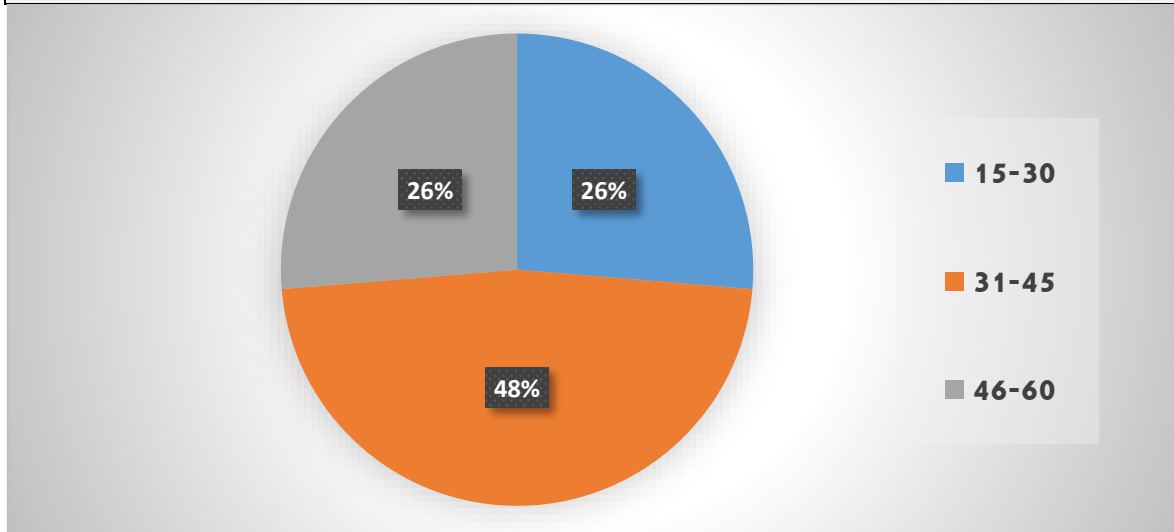

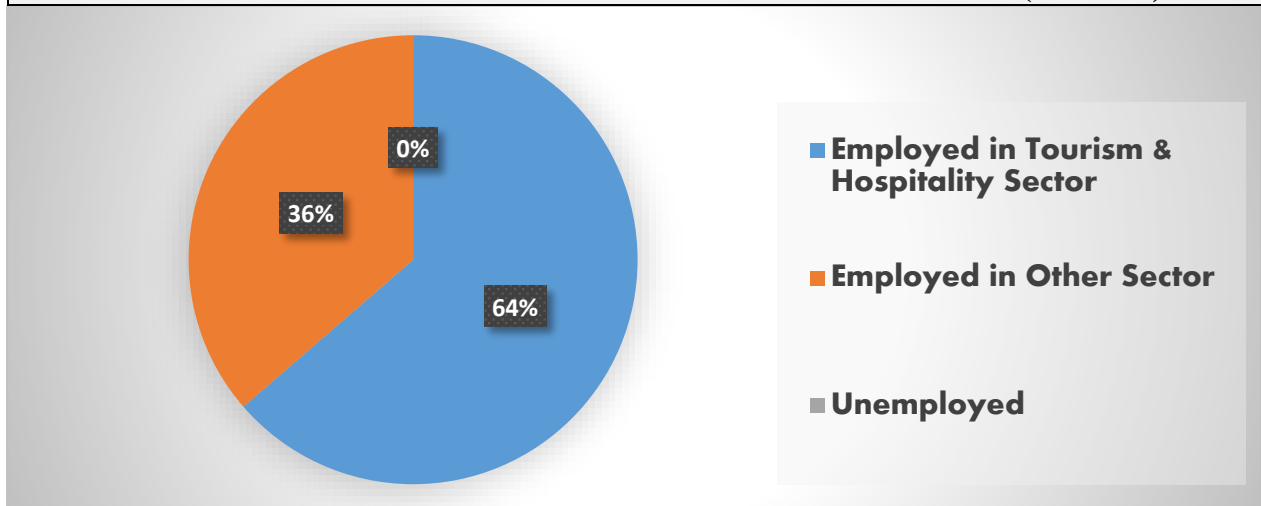

Figure 01 highlights that 48% students who completed Tourism programmes from Uttarakhand Open University represent age group between 31-45. Remaining 26 % represents 46-60 age group and other 26 % students belong to 15-30 age group.

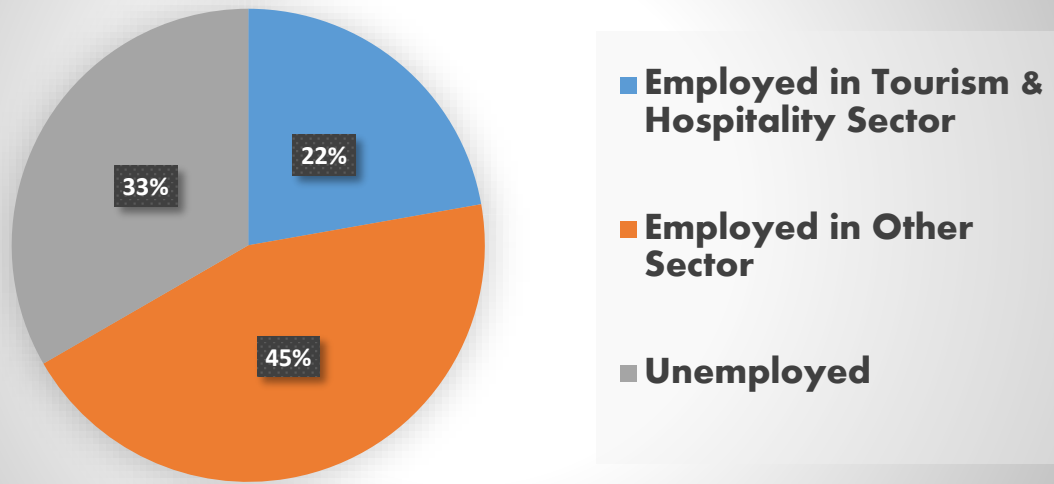

Figure: 02
MASTER OF TOURISM & TRAVEL MANAGEMENT (MTTM)

It is clear from the above figure 02 that 64 percent of the MTTM passed out students are presently working in Tourism & Hospitality sector and remaining 36 percent are working in other allied sectors. No MTTM passed out student currently is unemployed. Finally, it is clear that every passed out MTTM student is employed in Tourism, Hospitality and other allied sectors.

Figure 03
BACHELOR OF TOURISM & TRAVEL MANAGEMENT (BTTM)

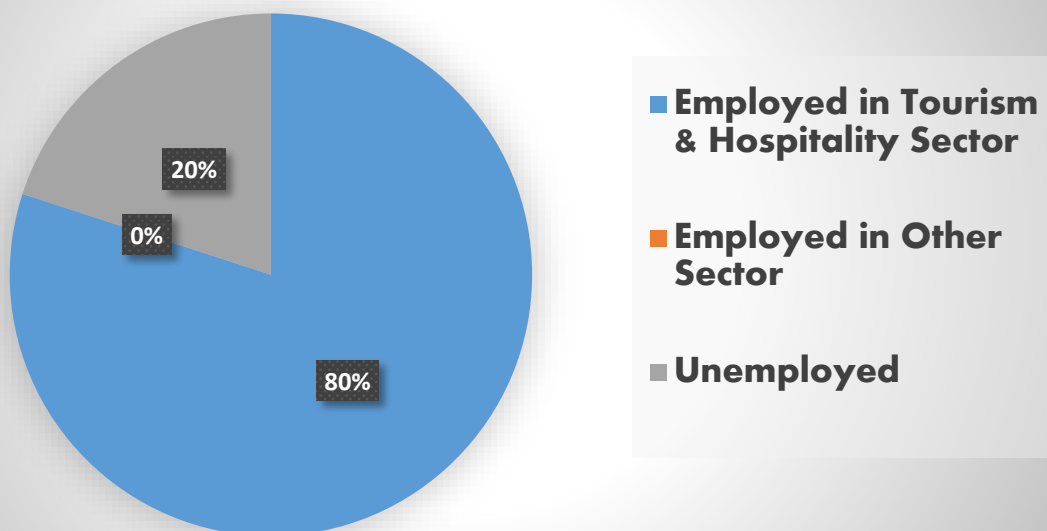

Employment Status of BTTM Programme

The collected data presented above through pie diagram makes it clear that 22 percent are employed in Tourism & Hospitality sector, 45 percent students are employed in other sectors than Tourism & Hospitality and remaining 33 percent are unemployed and majority of them are studying in higher education. It means maximum number of students who completed BTTM programme are now doing their own business or working in govt. or private companies.

Figure: 04
DIPLOMA IN TOURISM STUDIES (DTS 10)

Employment Status of DTS Programme

It is understood from the Figure 04 that till year 2016, total 35 students have completed DTS programme and figure 1 also shows that 80 percent Tourism students are employed in Tourism and Hospitality sector and remaining 20 percent are working in other allied sectors. No student is unemployed who has completed DTS programme. It means all the students, who have completed the DTS programme are now placed at good positions and happy with their jobs.

Figure: 05
Employment Status of all Tourism Students

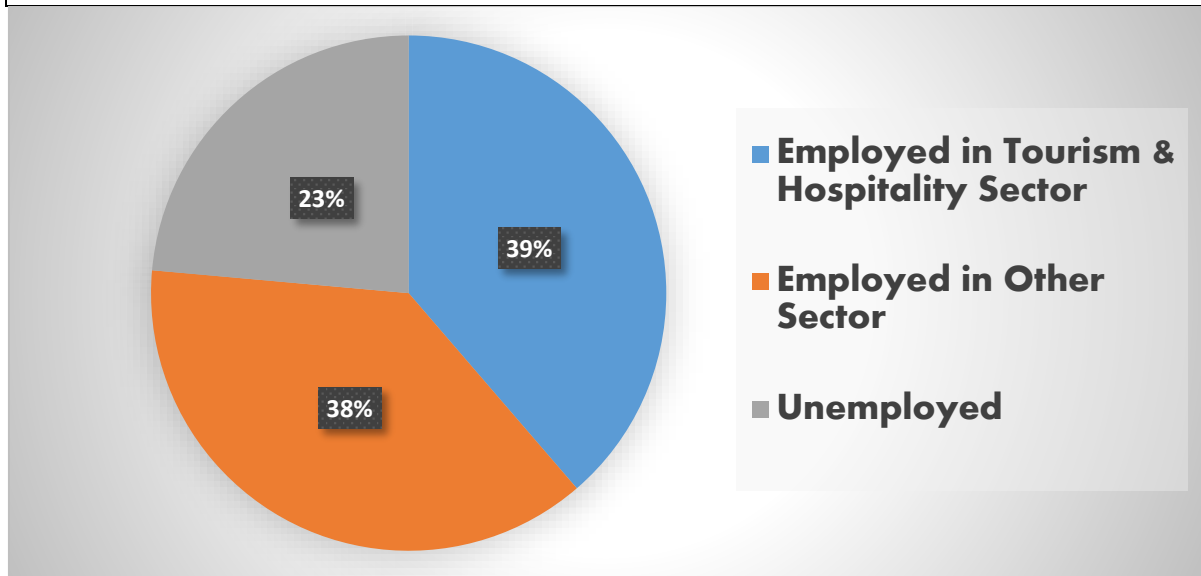

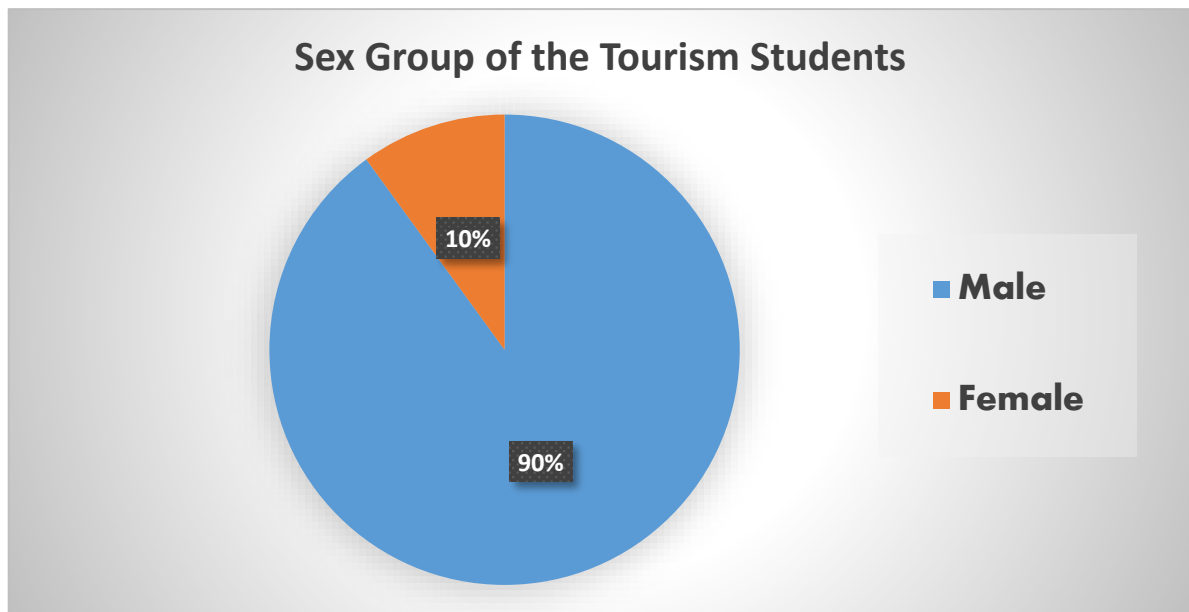

Figure 05 which is the overall representation of the employment condition of Alumni of Tourism Department denotes that 39 Percent Alumni are employed in Tourism & Hospitality sector, 38 Percent are working in other allied sectors than Tourism & Hospitality and rest 23 % are unemployed, who may be engaged in doing their higher studies.

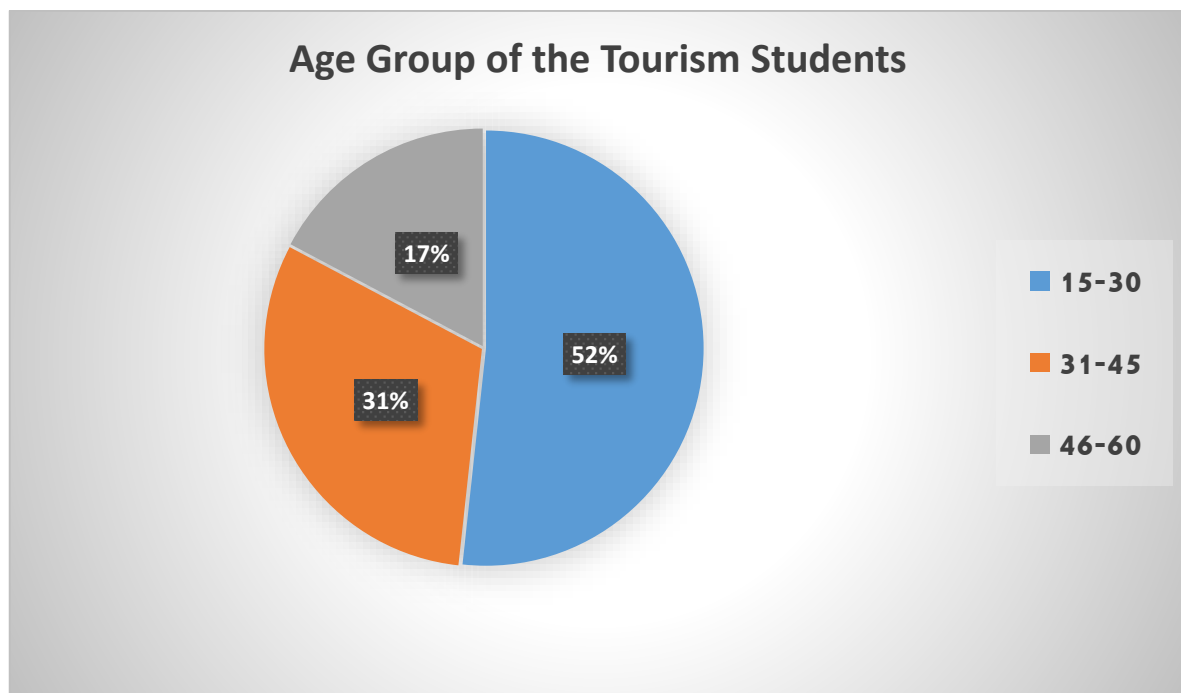

Conclusion:

On the basis of collected over all information from all students who have completed either DTS, BTTM or MTTM programme, from this university, it is found that majority of them are employed and satisfied with their jobs because mainly they are engaged in Tourism or Hospitality industries, some are working in other allied sectors and remaining are studying in in higher educational and a minimal number of them are unemployed.
