

## Notice

**Attention: All the learners of Model Study Centre(16000) of UOU**

You must be aware that counselling is an integral part of open & distance learning. Further, you are well aware that internal assessment is a compulsory part in distance learning and for this internal evaluation attendance in counselling sessions is taken into account by Model study centre. You shall, therefore, attend as many counselling sessions as possible. Accordingly the learners of the Model study centre should attend the counselling sessions as per the schedule given below, failing which it will negatively influence their internal assessment.
