

UTTARAKHAND OPEN UNIVERSITY
CREDIT TRANSFER POLICY FOR LEARNERS

Uttarakhand Open University provides Credit transfer facility to its learners.

1. Those who come from an institution where CBCS system is in vogue shall be given admission and their credits shall be transferred accordingly.
2. Those learners who have passed the first and the second year of graduation or first year of Post Graduation from any other University may also seek admission through lateral entry in equivalent programmes of Uttarakhand Open University as follows:
 - a) If 80% or more than 80% of syllabus of the examination passed by the applicant matches with the syllabus of UOU, then such a candidate will be given admission on the recommendations of the Equivalence Committee. In order to get equivalence, the learner will have to produce the syllabus of the university s/he had previously enrolled in, duly attested by an authorized officer of that University/ institution.
 - b) Under the provision of Lateral Entry, the marks obtained by the learner in the previous university / college will be converted into prevalent percentage system of Uttarakhand Open University because the University awards degrees based on percentage.
 - c) Uttarakhand Open University shall provide modular movement, where the learners after doing diploma/ P.G.Diploma shall have the option to seek admission in masters' programmes. Presently modular programmes are allowed in the School of Computer Science & Technology, Dept. of Management and the Dept. of Yoga.
