About the Directorate of Research and Innovation

The Directorate of Research and Innovation is continuously striving for streamlining the process of research work, exploring key research areas and designing strategies for accomplishment of research goals. The flagship programme of the Directorate is Ph.D. Programme which is offered in various disciplines of study. The Ph. D. Programme of the University is designed to accomplish local and regional aspirations, fulfill national obligations and honor the international commitment through high quality research in various disciplines. The Directorate also facilitates the overall research activities across the different departments, faculty engagement and research orientation programmes. Directorate is also making all round efforts including online subscription to major research journals, statistical softwares and the likes for enriching research programme.

About the Programme

The Induction Programme intends to apprise newly admitted learners of Ph.D. Programme with the nitty-gritty of the Programme. In line with UGC, Induction Programme intends to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.
